# Congressman Campbell Says He

Converted by the Farmers.

### He Unfolds the Scheme of His New Political Utopla.

tained and All Evil Rejected.

It is no longer Judge Campbel', Congressman Campbell or the Hon. Timothy J. Campbell. It's plain Farmer Campbell.

Our own Timothy Jay, Congressman of the Eighth New York District, has joined the Farmers' Alliance, or an organization like it. Farmer Campbell, fresh from Chamberlin's Grange at Washington, of which he is a member, sat in his cosy perior on Columbia a reet this morning and told an Evening Would re-

porter of his pel tical conversion. Farmer Campbell greated the reporter with that corotal hospita ity which characterizes the horny-a-nded son of toil. As an evidence of his devotion to his new political principle and the cause of agriculture Farmer Campbell displayed a pair of big heavy boats which encased

He, however, wore a boiled shire and white neektie and his clothes were of New York ft. with the procession, "philosophically remarked Farmer Tim, as he filliped the ashes off his Havana, which he was smoking in lieu of a "Yes, str. you can't keep up with it. That's the conclusion I have

.. What is this organization you have

"Well, now, as we lawyers say, you have asked a leading question. It's almost a secret yet, but I don't mind telling you that our principle is giavery, the croation of a new system of government, under which men will not prey spon each other to live. We will make Mother Earth support us all, and there will be happiness, contentment and plenty for every-

.. Every man will be his own landlord and everybody will have money galore. If our party gets into power smiles will replace the s of care on the faces of the wage-worker. the glow of health will be substituted for the pailor of sickness, and"--"Why, Farmer Campbell," interrupted the

"this is a grand Utopian scheme." "That's it; Utopian is the word," enthusiastically continued the statesman farmer.

"What is the name of your organization?" "It's the United Consolidated-the United Convolidated oh, the dickens, the United Consolidated Grange of United States, with head "Then you don't belong to the Farmers

Allianus?"
... No. sirrer, those fellows ain't in it with us.

We have an entirely new seneme."
"Do you layor the Sub-Treasury plan?" "Well, that's to be considered,"
"And Senator Stanford's lost scheme?"

"Have you then renounced Democratic do "Yes and no. We retain everything that's

" We favor that."

good of Democracy or any other political doc-trine and eliminate everything that's bad. "Now, we are to have a meeting at the Asto We will organize a branch in every Assembly fistrict in the State and enter the next cam paign as a taird party. These granges will be anches of the National Grange in Washing-

"We will enter the next campaign as third party, independent of these fellows who have just held a convention in Cincinnati. Theirs sin't no platform at all."

" The head of our Grange is Hallet Kilbourne, of the Washington Critic. It include as members Senator Stewart, of Nevada, wao vill probably be at the meeting, and Senato Vance, of North Carolina.

me identified with this great grand swell of so ities reform, inspired and organized by the nonest toilers of the land, and which movement is apreading with gigantic strides through out every State and Territory of the republication !"

Farmer Campbell grew eloquent, and as he paused as this point, the reporter asked him whether he had renounced the practice of law since the Parmers' Alliance principle is opposed to lawyers. "I told you we didn't train with those Farm-

ers' Alliance fellows. Our organization admits

"la your Grange committed to any Presi-· Not irrevocably, but the members of our

Grange have a decided leaning at present in tayor of Farmer Stanford, Senator from Callfornia, for President, with Farmer Vance, Sens-That would be a great ticket. Farmer Stanford has introduced and advocated in the United States S-nate a bill in favor of loaning Government money on farming land at 2 per cent, interest, which is a measure of direct practical relief to us embarransed tollers of the soil, whose farms are morgaged so heavily. Vance and Stanford make a strictly non-partisan and non-sectional ticket. The former is a Demo crat and from the South, the latter a Republican and from the West, "

Asked his views on the questions of finance ownership of land and other important subjects. Farmer Campbell said:

Here is our tilear That the Government of the United States shall donate land to all oiti-

the United States shall donate land to all otterens who do not now own any soil, is order that they may also own tarm land upon which they can borrow Government money at 2 per cest, under Farmer stanford's plan.

"This hemispherical and all important amendment of our national platform will accurate militons of additional vaters for the Presidential texts of the farmers campaign of '2d. It is learner, however, that it is in the colonge of suver and gold and the basic of moure money by the Government. The attending physician gave a certificate something like this:

"These gates glosed from 2 to 4.50 P. M. a xits. Exits on the Boulevard side."
As the crowd passed in everybody breathed

other gate and there pass out unmolested.

After the first race was run the reporter was natructed to go back to the office. He was directed to get out the best way ne could without using force or creating any unnecessary disturbance.

The mate entrance was first visited. The reporter asked to get out, saying he had busines n the city which demanded his return. "There are gates on the Boulevard side,"

said a big Pinkertonian, with a grin. "Follow the fence around and you will come to it." Neither the Pinkertonian's grin nor the equivocal instructions were very reassuring ut the reporter went northward slong the fence until he came to a gate, where his progress was barred by another Pinkerton man. "You are going the wrong way," said the "Pick," after the reporter had explained,

You want to go around the other way." The scribe turned, and paddled on past the main entrance until he finally brought up against another Pinkerton guard.

"You can't go by here. You are going the wrong way." The repurter protosted, but the only satisfaction he got was an exasperating prin. The reporter then concluded that the best thing was to go straight across the track. He started down to go out the gate which is close by the judges' stand, and once more he was stopped by a Pinkerton man. "That badge ain't no good," said be. (The

eporter wore an ordinary grano stand bodge.)
'You'll have to get a paddock badge before ou can get through." The reporter, by paying 50 cents, obtained a

saddock badge and so was enabled to cross the track. As he struck the green infield he began to breathe freer, but he happened to big Pinkerton man right behind him. The reporter shifted his course and after some dis-

porier shifted his course and after some dis-lance looked around again. Plukerton's hire-ling had gone to another direction.

At last the rear gate, after an exhausting ramble around benind the stables, was found.

By dint of great hariering the reporter was at length permitted to pass through the gate.

After that the ne was not interfered with, though there were Pinkerton men all along the road who eyed the sortion much as a numery dog would look at a bone. He pro-oceded without interruption until the station platform was reached, and was soon tack in the city.

the city.

Finkerton's hirelings will hesitate at nothing to prevent people from getting out. One respectable young man, by name John Mr. Tierney, assed permi-sion to go out. He was rigned. He attempted to force his way by he rumans at the gate, and he got a crack on the neck that made him see stars. This "link" was a tag, burly man, and Mollerney was little fellow. McTlerney said the number of the man's shield was 35.

Another gentleman, who was ill—and his

the man's shield was 30.

Another gentleman, who was ill—and his face, which was sain in color, hore out his statement—asked permission to go out. His request was refused, and he was so rough; in tied that he nearly fainted away.

A young man outside the gate cook a message which was handed to him. He was seized in an instant and the message taken away and to the process. Then the big Pinkertons cuffed his face and let nim go.

A man who gave his name as Noonas, of 48 Charten atreet, asked to go out. Then the burly Pinkertons passed dim from one to the other and rou hiy used him otherwise.

burit Pinkertons pushed and word one to the other and rou hit used him otherwise.

These were some of the scenes that were enacted at the tract vecterist, in a high-handed action of the lwyers is universally concerned, and it will probably result in a serious row oefore long, and the danger of bloodshad is one that should call the attention of the legally constituted authorities.

### Little Johnnie Marks Swallowed It While at Play.

[SPECIAL TO THE EVENING WOLD.]
PATENSON, N. J., May 28. - Johnnie Marks, the five-year-old lad who awallowed a screw hook, is a sadiy afflicted individual. Besides the worry occasioned by the presence in his body of a surved piece of metal one and a hast inches long he is also enduring an attack of the meastes. Dr. Patton, one of the unfortunate boy's

physicians, was met this morning by an Even-ING WORLD reporter while he was on his way maid: "Young Marks is undergoing very little pain

from the presence of the hook, but is greatly troubled about it. In addition to this he is suffering from an attack of the measles, and just at present I am giving sa much attention to the disease as to the troublesome hook. "I believe the hook has passed into his stomach and if it hes it may pass from the body without doing any harm. The great intestines and thus cause death.

"Dr. Myers and I have as yet been unable to locate the hook, although we have worked everal hours on the case."

The boy was playing with his haby brother was alone in the place. Then Shemahan had a cup of tea and all down by the safe.

Offer entered, and while Amelia was walting on him, Shanahan opened the door of the safe, and gratbing \$150 ran out of the store.

This is not the only trick entered up against the men, however, March 24 four men visited Lee Baumgartea's grosery. \$12 Kast Seventiate the lad a place of brischard of the most.

The boy was playing with it is had blother when he had been not the hook. He had been noticing it in his mouth when sud-reury staipped mother, who after rearring the trouble, put mother, who after rearring the trouble, put here if or the place of the character, and, after giving her had a place of the hook. He had been noticing it in his mouth when sud-reury it slipped mother was walt-lined to the throat. He had been noticing it in his mouth when sud-reury it slipped mother, who after rearring the trouble, put mother, who after rearring the trouble, put here in the had been noticing it in his mouth when sud-reury it slipped mother than the hook. He had been noticing it in his mouth when sud-reury it slipped mother, who after rearring the trouble, put mother, who after rearring the trouble. He had been noticing it in his mouth when sud-reury it slipped mother than the hook. He had been noticing it in his mouth when sud-reury it slipped mother, who after rearring the trouble, put he for the store.

This is not the only trick entered up against the men, however, hard to be a sub-reury in the head of the most. He had been noticing it into the tarout. He had been noticing it into the tarout. He had been noticing it into the notice in the most had a sub-reury into her store.

This is not the only trick entered up against the men, however, hard the form the head of the most had the head of the most head of the mo

## SAVED BY A DARING TRICK

A Russian Exile's Tale of Escape from the Police.

Volkhovsky, a Russian extle, white le uring at Hampstead, England, says the Palatka Herald, related a desperate artifice to which he once resorted. A police official ones searched his house

for compromising papers. At the time there was in his possession a certain doopment the discovery of which meant serious Steamer "GRAND REPUBLIC. danger not only to himself, but also to his

Volkhovsky was desperate, for it was quite certain that the document would be round. But a daring trick saved him. He coolly handed the document to the official, who scarcely glanced at it, and handed it Thus, after the most minute search th
